Energy Efficiency: America's Job-creation Powerhouse **FACES OF
EE
JOBS**

Alabama's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

31,549 people work in Alabama's energy efficiency sector.

Energy efficiency jobs are in every Alabama county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Alabamans money and boost local economies.

Please support policies and programs that will enable Alabama's energy efficiency sector to create jobs and provide benefits for communities.

EE We help people save energy & lower their carbon footprint.
