Powerhouse

---

**Colorado's** energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

40,318 people work in Colorado's energy efficiency sector.

**Energy efficiency jobs are in every Colorado county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.**

**Support for energy efficiency will save Coloradans money and boost local economies.**

Please support policies and programs that will enable Colorado's energy efficiency sector to create jobs and provide benefits for communities.
