Cedartown, GA

Energy Efficiency:  
America's  
Job-creation  
Powerhouse

**Georgia's** energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

61,036 people work in Georgia's energy efficiency sector.

**Energy efficiency jobs are in nearly every Georgia county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.**

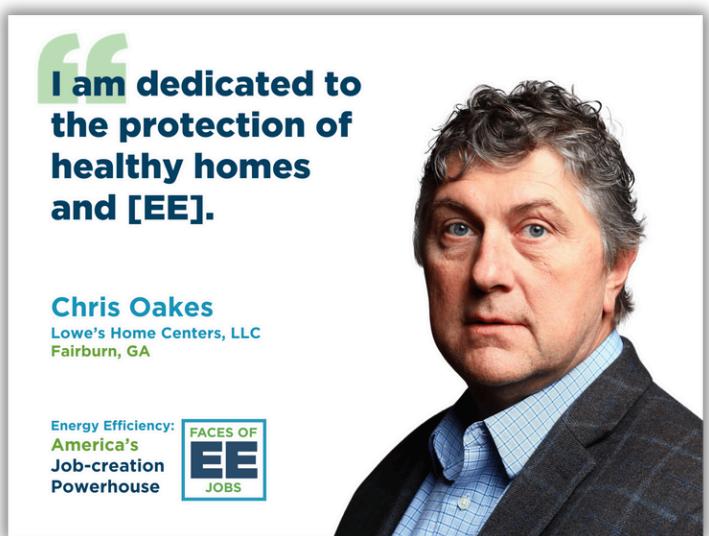

**Support for energy efficiency will save Georgians money and boost local economies.**

Please support policies and programs that will enable Georgia's energy efficiency sector to create jobs and provide benefits for communities.

*Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes energy-efficient, comfortable, healthy, and safe.*
