Energy Efficiency:
America's
Job-creation
Powerhouse

Maine's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

9,492 people work in Maine's energy efficiency sector.

Energy efficiency jobs are in every Maine county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Mainers money and boost local economies.

Please support policies and programs that will enable Maine's energy efficiency sector to create jobs and provide benefits for communities.

I am a home repair coordinator.
