SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

Massachusetts' energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

86,920 people work in Massachusetts' energy efficiency sector.

Energy efficiency jobs are in every Massachusetts county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Massachusettsans money and boost local economies.

Please support policies and programs that will enable Massachusetts' energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes energy-efficient, comfortable, healthy, and safe.
