JOBS**

Missouri's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

42,296 people work in Missouri's energy efficiency sector.

Energy efficiency jobs are in every Missouri county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Missourians money and boost local economies.

Please support policies and programs that will enable Missouri's energy efficiency sector to create jobs and provide benefits for communities.

EE [EE] can provide a more equitable future!
