Albuquerque, NM

Energy Efficiency:
America's
Job-creation
Powerhouse

New Mexico's energy efficiency
industry creates good jobs, lowers
bills, and strengthens the economy.

6,988 people work in New Mexico's
energy efficiency sector.

**Energy efficiency jobs are in every New
Mexico county. Woven through
communities via manufacturing,
construction, professional services, and
more, EE jobs are the backbone of the
energy sector.**

**Support for energy efficiency will save New
Mexicans money and boost local economies.**

Please support policies and programs that
will enable New Mexico's energy efficiency
sector to create jobs and provide benefits for
communities.

Introducing a few of **New Mexico's** **6,900+** energy efficiency pros

@FacesofEE

William Eckman

Oak Ridge National Labs

Santa Fe, NM

Evelyn Gonzales

Santa Fe Community College

Santa Fe, NM

This sample shows the variety of jobs in the energy efficiency industry and highlights the potential for growth when workforce development and training are prioritized.

Note: Some individuals pictured may have changed jobs since they joined Faces of EE.
