Energy Efficiency America's Job-creation Powerhouse **FACES OF EE JOBS**

North Dakota's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

5,583 people work in North Dakota's energy efficiency sector.

Energy efficiency jobs are in every North Dakota county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save North Dakotans money and boost local economies.

Please support policies and programs that will enable North Dakota's energy efficiency sector to create jobs and provide benefits for communities.
