Energy Efficiency:
America's
Job-creation
Powerhouse

Pennsylvania's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

76,289 people work in Pennsylvania's energy efficiency sector.

Energy efficiency jobs are in every Pennsylvania county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Pennsylvanians money and boost local economies.

Please support policies and programs that will enable Pennsylvania's energy efficiency sector to create jobs and provide benefits for communities.

We prioritize investing in our workforce [to enhance EE].
