Powerhouse

Rhode Island's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

11,582 people work in Rhode Island's energy efficiency sector.

Energy efficiency jobs are in every Rhode Island county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Rhode Islanders money and boost local economies.

Please support policies and programs that will enable Rhode Island's energy efficiency sector to create jobs and provide benefits for communities.

EE [I am an] energy auditor. We are the first to educate people.
