Energy Efficiency: America's Job-creation Powerhouse 

**South Dakota's** energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

7,898 people work in South Dakota's energy efficiency sector.

**Energy efficiency jobs are in every South Dakota county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.**

**Support for energy efficiency will save South Dakotans money and boost local economies.**

Please support policies and programs that will enable South Dakota's energy efficiency sector to create jobs and provide benefits for communities.
