Vermont's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

10,515 people work in Vermont's energy efficiency sector.

Energy efficiency jobs are in every Vermont county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Vermonters money and boost local economies.

Please support policies and programs that will enable Vermont's energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes energy-efficient, comfortable, healthy, and safe.
