West Virginia's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

7,242 people work in West Virginia's energy efficiency sector.

Energy efficiency jobs are in every West Virginia county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save West Virginians money and boost local economies.

Please support policies and programs that will enable West Virginia's energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes energy-efficient, comfortable, healthy, and safe.
