Office of Lead Hazard Control and Healthy Homes
2023 Program Managers Conference

Lead and Healthy Homes Program Division
Yolanda Brown, Director

DAY 1 – LHCHH Track 1 - Summit 420-422
April 17, 2023

1:30 PM– 2:15 PM
Session I: Healthy Homes Assessments – Session 1 *(Also available Session IV - Summit 423-425)*

Session Description: HUD OLHCHH partner will provide guidance on how to complete a healthy home assessment by using the 8 Healthy homes principles with methods and approaches that can be sustained. We will discuss various tools and resources for healthy homes assessments and how to prioritize healthy homes interventions in individual units based on the unit Healthy Homes Assessment.

Presenter/Panelist: Kevin Kennedy, HUD Staff

2:30 PM – 3:15 PM
Session II: Addressing Radon in Lead Hazard Reduction and Healthy Homes Production Programs

Session Description: Learn how to assess, address, and document radon in Lead and Healthy Homes Production Programs. The session will discuss various tools, resources, and requirements for radon in OLHCHH grant programs.

Session Presenter: HUD OLHCHH Staff

3:30 PM – 4:15 PM
Session III: Policies, Procedures, and Requirements for Lead Inspection Risk Assessment in OLHCHH programs.

Session Description: Conducting and documenting a complete a combination Lead Inspection and Risk Assessment. This session will include a workshop element for hands-on learning. Key elements to be covered:

- Assessment best practices

- Monitoring your LIRA contractors

- Required staff training, knowledge, and oversight.

Session Presenter: Jonnette Simmons, HUD OLHCHH, Arron Mitchell, HUD OLHCHH

4:30 PM to 5:15 PM
Session IV: Getting eLOCCS to work for you! (Also available Day 2 – Session IX Summit 420-421)

Session Description: This session will provide grantees with solutions to address issues and concerns about access and usability of the Electronic Line of Credit Control System (eLOCCS) system. eLOCCS is HUD's primary grant disbursement system. Grantees (Approving Officials and Users) are required to gain access to Secure Systems prior to accessing eLOCCS as it serves as an internet gateway between the public and the internal eLOCCS application. After this session, grantees should be able to quickly pinpoint what is needed to obtain, keep, or reinstate their organization's eLOCCS access and to use the eLOCCS effectively.

Session Presenter/Panelist: Loyedi Gedeon, OLHCHH and Markquonda Mathis, OLHCHH
