**Session V: Program Managers Tools for Success**

---

**Session Description:** This session brings together a panel of experts in lead hazard control and healthy homes grant programs to share their experiences and insights with program managers. Explore tools, resources, and procedures that contribute to successful implementation and outcomes for OLHCHH grant program management with your peers.

Following the panel presentation, participants will have the opportunity to engage in round table workshop discussions with the panelists and other attendees. During these discussions, participants will have the chance to share their own experiences and challenges, as well as receive feedback and guidance from the experts.

By the end of this session, attendees will have gained valuable knowledge and practical skills for managing lead hazard control and healthy homes grant programs and will have established connections with other professionals in the field. This session is designed for both new and experienced program managers, and will provide a unique opportunity for learning and networking.

**Session Presenters/Panelists:**

Yolanda Brown, HUD OLHCHH  
Dale Hager, City of Alameda, CA  
Amy Doborinin, Fresno County, CA

**4:00 PM – 4:45 PM**

**Session IX Title: Getting eLOCCS to work for you!**

---

**Session Description:** This session will provide grantees with solutions to address issues and concerns about access and usability of the Electronic Line of Credit Control System (eLOCCS) system. eLOCCS is HUD's primary grant disbursement system. Grantees (Approving Officials and Users) are required to gain access to Secure Systems prior to accessing eLOCCS as it serves as an internet gateway between the public and the internal eLOCCS application. After this session, grantees should be able to quickly pinpoint what is needed to obtain, keep, or reinstate their organization's eLOCCS access and to use the eLOCCS effectively.

**Session Presenter:** Loyedi Gedeon, OLHCHH and Markquonda Mathis, OLHCHH
