Energy Efficiency:
America's
Job-creation
Powerhouse

Idaho's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

9,532 people work in Idaho's energy efficiency sector.

Energy efficiency jobs are in every Idaho county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

“We are home efficiency experts.”

America's
Job-creation
Powerhouse

Support for energy efficiency will save Idahoans money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Idaho's energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes efficient, comfortable, safe, and healthy.

Introducing a few of **Idaho's** **9,000+** energy efficiency pros

@FacesofEE

EE Energy efficiency is one of the paramount parts of good architecture.
