Energy Efficiency:
America's
Job-creation
Powerhouse

Kentucky's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

24,405 people work in Kentucky's energy efficiency sector.

Energy efficiency jobs are in every Kentucky county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Kentuckians money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Kentucky's energy efficiency sector to create jobs and provide benefits for communities.

Helping people is a passion of mine.
