

67,772 Jobs 

SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

I love [the EE industry]!

Victoria Slusher
Howard Community Action Council
Hyattsville, MD

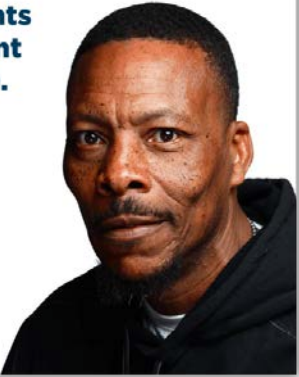

Energy Efficiency:
America's
Job-creation
Powerhouse 

Maryland's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

67,772 people work in Maryland's energy efficiency sector.

Energy efficiency jobs are in every Maryland county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

We give residents safe and efficient homes to live in.

Donnell Smith
Department of Energy and Environment,
Ft. Washington, MD

Job-creation
Powerhouse 

Support for energy efficiency will save Marylanders money and boost local economies.

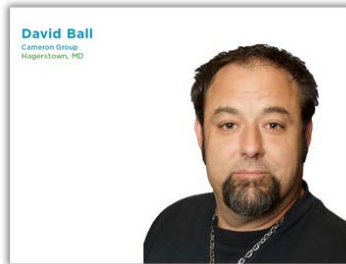

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Maryland's energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes efficient, comfortable, safe, and healthy.

Introducing a few of **Maryland's** **67,000+** energy efficiency pros

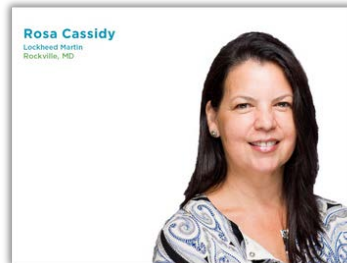

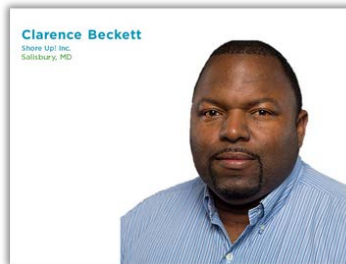

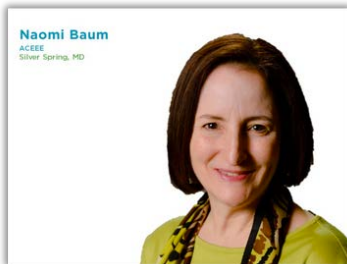

@FacesofEE

I am an energy analyst. I help people improve their homes.
