

11,330 Jobs

SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

“**EE is one very clean, doable way to reduce carbon emissions.**”

Marty Josten
New Ecology, Inc.
Warwick, RI

Energy Efficiency: America's Job-creation Powerhouse

Rhode Island's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

11,330 people work in Rhode Island's energy efficiency sector.

Energy efficiency jobs are in every Rhode Island county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Rhode Islanders money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Rhode Island's energy efficiency sector to create jobs and provide benefits for communities.

“**[I am an] energy auditor. We are the first to educate people.**”

Steven Calise
Blackstone Valley CAP
Providence, RI

Energy Efficiency: America's Job-creation Powerhouse

Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes efficient, comfortable, safe, and healthy.

Introducing a few of **Rhode Island's** **11,000+** energy efficiency pros

@FacesofEE

This sample shows the variety of jobs in the energy efficiency industry and highlights the potential for growth when workforce development and training are prioritized.

Note: Some individuals pictured may have changed jobs since they joined Faces of EE.
