Energy Efficiency: America's Job-creation Powerhouse

Arkansas' energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

15,526 people work in Arkansas' energy efficiency sector.

Energy efficiency jobs are in every Arkansas county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Energy efficiency is a resource that impacts everyone!

Energy Efficiency: America's Job-creation Powerhouse

Support for energy efficiency will save Arkansans money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Arkansas' energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by the Building Performance Association, a nonprofit industry association dedicated to making all homes efficient, comfortable, safe, and healthy.

Introducing a few of **Arkansas'** **15,000+** energy efficiency pros

@FacesofEE

This sample shows the variety of jobs in the energy efficiency industry and highlights the potential for growth when workforce development and training are prioritized.

Note: Some individuals pictured may have changed jobs since they joined Faces of EE.
