

TRADE SHOW DETAILS

2025 National Home Performance Conference & Trade Show

APRIL 7-10, 2025 | NEW ORLEANS, LOUISIANA

Each year, the Building Performance Association's national conference attracts thousands of home performance, weatherization, and health homes professionals from across the nation for four days of industry updates, networking, and learning. This event features a trade show that runs Monday through Wednesday.

LIMITED SPACE AVAILABLE!

Our trade show floor has room for no more than 60 booths. Make sure you secure yours as soon as possible. We anticipate each spot will be sold before the event.

Beyond the Trade Show Floor

VENDOR SHOWCASE

The vendor showcase, which will run concurrently with our breakout sessions, will allow exhibitors to discuss key products and services in a classroom setting. This is a great platform to plan demonstrations, showcase new products, and interact with potential buyers—the sky is the limit!

Note, you must be a registered exhibitor to apply to be featured as part of our vendor showcase.

Price:

\$1,300
